Sir:

On October 8, 2009, applicant fax filed a Notice of Appeal and a Second Reinstatement Request and Supplemental Appeal Brief in response to the Office Action dated June 9, 2009. Proof that this response was filed on October 9 is evidenced by the Certificate of Transmission/Mailing on the Transmittal Form.

When we did not find the documents in PAIR, we called the Examiner to determine if the response was received. The Examiner stated that he has not received the response and that it is not in the PALM database.
